

Chena Hot Springs Renewable Energy Fair HOT WATER TO HYDROGEN

Chena Hot Springs Resort
August 18th, 2007 from 9:00am - 7:00pm

Join us for the 2nd Annual Chena Hot Springs Renewable Energy and Sustainable Living Fair celebrating the ground breaking of the first hydrogen fuel station in the state of Alaska. The fair offers:

- ❖ 35 workshops presented by experts from Alaska and around the country
- ❖ Speakers including Governor **Sarah Palin**, Senator **Lisa Murkowski**, Senator **Ted Stevens**, and Mayor **Whitaker**
- ❖ Keynote Speaker **John Ziagos**, Lawrence Livermore National Laboratory, will explore how the US might use hydrogen and carbon sequestration while shifting toward sustainable energy sources such as solar, wind, and geothermal.
- ❖ Over 50 vendor booths and working demonstrations of renewable energy technologies
- ❖ Tour of Chena Hot Springs projects including the *Geothermal Power Plant, Greenhouses and Gardens, the Absorption Chiller, Water Ram, and Hydrogen Fuel Station*
- ❖ Free chili and hotdogs, music and door prizes
- ❖ Free kid's activities and art contest

Come Out Early and **RUN FOR RENEWABLES**

All proceeds of the 8 am 5 mile walk/run go towards Renewable Energy Education

For more information or to download an event schedule go to www.yourownpower.com

FREE Shuttle Service from Fairbanks

The blue Alaska Salmon Bake buses will pick up and drop off fair attendees at the **BLUE GATE ENTRANCE** of the Tanana Valley Fairgrounds and in front of the UAF Nenana Bus Shelter.

Rides are **FREE** for fair goers complements of Chena Hot Springs and the Alaska Salmon Bake. **Reduce your Carbon Footprint** and enjoy the scenery!

JOIN US!!!
